Contact Hours: 6 Water
Instructor: Bill Kasper

Location:
Northampton Memorial Community Center
1601 Laubach Avenue
Northampton, PA 18067-1517

About the Class:

New regulations addressing water distribution systems are being put in place. Distribution system operators weren't always encouraged to address the importance of water quality in the distribution system and the components that may affect that quality. This course addresses how all the components need to work together to provide quality drinking water to system customers.
