

Water Supply Area Sign (I80-1)

The Water Supply Area Sign (I80-1) may be installed where a wellhead or watershed protection program approved by the Department of Environmental Resources (DER) exists, and a water supply protection area plan is in use. The spill response telephone number shall be "911" where this service is available, if this service is not available the county emergency management agency number should be used, or if not available, DER's toll-free number "1-800-541-2050" should be used.

SIGN SIZE	DIMENSIONS										SER-IES	MAR-GIN	BOR-DER	BLANK SIZE
