Our Mission

The mission of the Pennsylvania Rural Water Association is to work cooperatively within the industry to support not only its members but all the water and wastewater utilities throughout the Commonwealth with professional technical support, certified training, legislative representation, and other valuable services and benefits.

THE PRWA PROMISE

If you're not 100% satisfied with your first year of membership, we'll refund every penny of your 1st years dues!

Associate Membership

Increase your presence in the water & wastewater industry. Companies know that PRWA can provide the connections you need to meet your next customer.

Serving the water & wastewater industry since 1988

PRWA Associate Membership is the best way to become known to the state's water and wastewater professionals!

Associate Membership is a way for companies, organizations, and service providers to gain recognition within the water and wastewater industry by connecting with PRWA's network of partners, friends, and colleagues. Our training programs, Annual Conference, and technical services assist over 1000 systems a year, and have built the largest collection of quality focussed water professionals in the state. We look forward to bringing in other like-minded entities to help us continue our long-standing tradition of excellence, service, and professionalism.

CONNECT WITH SYSTEMS: Associate Members are connected with our network of member systems, affiliates, and agency contacts. PRWA continues to be Pennsylvania's largest organization of water and wastewater professionals, and we are proud to be the largest provider of DEP Contact Hour approved training classes in the state. Our members stay members, and for good reason. Read on to learn why.

WEBSITE PRESENCE: Member systems use our website to find quality products, service providers, and management consulting organizations. Be on the list and become instantly recognizable in the industry.

SPONSOR AN EVENT! Many of our Associate Members choose to sponsor a PRWA event. Throughout the year we hold an impressive array of events that include a golf outing, clay shoot, bingo, cornhole, meet & greet dinners and more!

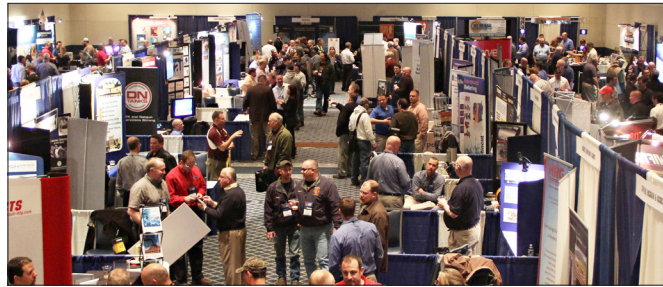

MAGAZINE SUBSCRIPTION: All members get a subscription to our award winning magazine. Additionally, our associates are invited to write articles that highlight their services and organizations.

ANNUAL CONFERENCE: The PRWA Annual Conference is known as the event of the year for water and wastewater professionals. Each year hundreds of operators, vendors, agency representatives and system managers gather together for a week of fun, food, and entertainment. It's not all playtime however, as the event is centered around three days of diverse training sessions that are sure to capture the attention of new operators, as well as the most seasoned professionals. Our network of industry specialists converge to provide 70 classes and up to 18 Contact Hours over three days. Our Associate Members enjoy the opportunity to spend time with not just the operators, but also board members, consultants, and other business owners.

DISCOUNTS ON TRAINING: Associate members and their employees will all receive discounted rates to our DEP approved training classes. If you provide contract operations services, these discounts alone can pay for your membership. With over 250 DEP approved classes each year, we provide a full range of topics and cover all four corners of the state.

HOLD A TRAINING CLASS AT YOUR FACILITY: Associate Members have the option of working with our training department to develop and present a DEP approved training class. This provides an excellent opportunity for you to spread an awareness of your product or service. All topics will be considered and can range from financial and sustainability courses to specialty field services. Contact PRWA for more information on how you can teach an existing class, or develop a completely new one. There are even options to teach in a virtual classroom setting.

SOURCEBOOK LISTING: The PRWA Sourcebook is a resource for our member systems and associates to find consultants, engineers, parts suppliers, and specialty services in their area. Associate Members that choose to be included will be displayed in our digital index of industry colleagues. Whether you are looking for a hard to find part, or the best prices available, the PRWA Sourcebook should be your first stop!

Join PRWA as an associate member today to begin receiving all of these benefits!
