**Instructor:
Rebecca Holler**

*Stormwater Specialist/
Training Technician*

Rebecca is the Stormwater Specialist and a Training Technician for PA Rural Water Association. Rebecca spent most of her professional life working with non-profits and county government on various environmental fields. She has assisted with various stormwater related projects from design to funding. Additionally, she has served on the board of PA Environmental Educators and has provided training to many diverse audiences. She has worked with many small organizations helping them to grow, meet regulations and accomplish their goals. Rebecca looks forward using her skills and background at PRWA.
