Securing Drinking Water & Wastewater Treatment Facilities

5 WATER AND WASTEWATER CONTACT HOURS

The Pa Water and Wastewater Systems Operator's Certification Act mandates that the standards for certification, recertification and renewal of certification shall include training related to the security of water and wastewater systems. This course is designed to meet the system security training requirement of the Act. The learner will be able to recognize methods for developing and increasing security awareness as it applies to water and wastewater treatment facility operations.

Topics to be covered:

- Security Methodology
- Critical Assets and Threats
- Stages of Protection
- VA Elements, Templates & Applications
- VA Exercise
- Emergency Response Plan Development

Instructor:
Rebecca Holler

*Stormwater Specialist /
Training Technician*

Rebecca is the Stormwater Specialist and a Training Technician for PA Rural Water Association. Rebecca spent most of her professional life working with non-profits and county government on various environmental fields. She has assisted with various stormwater related projects from design to funding. Additionally, she has served on the board of PA Environmental Educators and has provided training to many diverse audiences. She has worked with many small organizations helping them to grow, meet regulations and accomplish their goals. Rebecca looks forward using her skills and background at PRWA.
