**#431**

# **ASSE Backflow Prevention Assembly Testers Certification**

## **32 WATER AND WASTEWATER CONTACT HOURS**

This course will enable systems to enact a cross-connection control program. In addition, the program participants will learn how to test and troubleshoot backflow prevention assemblies to ensure continued protection to their water supply. This course will involve extensive hands on live practice of many brands of backflow prevention assemblies using a differential pressure gauge.

**Lunch on your own.**

**Exam will be given the final day of the course.**

**Prerequisite:** To obtain the ASSE Certification you must have been working as a plumber, system operator, sprinkler fitter or other closely related field for at least 5 years.

## **Registration / Cancellation Policy**

**Registration:** Please note that when registering for any ASSE class, payment must be submitted with registration.

**Cancellations:** Cancellations made AFTER the registration deadline will not receive a refund. Cancellations must be sent to PRWA in writing.
