About the Class:

Dealing with Angry People and Stress & Worker Safety: This course provides awareness of those things which may cause anger and discontentment on those with whom you deal on a daily basis and methods to defuse situations and achieve good results. Part 2 provides understanding of the types of daily stressors functioning in a worker's life and the means to address various types to reduce injury and illness in the workplace.

Active Shooter/Workplace Violence: The course educates the proper response to active shooters, active threats, illegal intruders, and workplace violence incidents in your facility and provide you with the tactics necessary to protect yourself and co-workers.
