Shady Maple Smorgasbord  
129 Toddy Drive  
East Earl, PA 17519-9261

**About the Class:**

Our community's most valuable resource is its infrastructure. Water and wastewater operators, managers, office personnel, and decision makers are the guardians of that asset, therefore, a course on managing a system is needed. The purpose of this course is to instruct students in the responsibilities of system management in the water and wastewater industry.
