Instructor: Exeter Supply Co., Inc.

Location:

London Grove Township

372 Rose Hill Road

West Grove, PA 19390-9701

About the Class:

This course is designed to train and inform operators in the practical aspects of operating and maintaining water distribution systems, emphasizing safe practices and procedures. Topics include the role and duties of water distribution system operators, how to implement a successful program of testing and maintenance, and procedures for operating and maintaining critical valves and hydrants within their system and the utilization of state of the art technology to aid in the gathering of vital information.
