**Class Time:** 8:00 AM to 1:30 PM

**Contact Hours:** 4 Water & Wastewater Hours

**Instructor:** Michael DiSantis

**Location:**

Delcora Training Room  
3201 W. Front Street  
Chester, PA 19013-1829

**About the Class:**

The purpose of this course is to provide operators and distribution/collection crews with basic information on pumps, including electric principals and safety – volts, amps & watts; hydraulics - flow, elevation, distance; reading pump curves and bypass pumping methods. Basic information on generators will include electrical safety, dangers of carbon monoxide emittance, proper maintenance and exercising, and the sizing of generators to meet demand. The course will also include a hands-on segment.
