Association

Our experience and our hands-on approach sets us apart from all other associations in the industry.

We realize not all public water systems are the same. This is why we have a Non-Transient / Non-Community Membership (NTNC) available to systems within the criteria. (See table)

Population Served	Service Time Frame	Examples	Type Supplier
At least 5 connections and/or 25 or more people	At least 60 days out of year, but not year round	Camps, retreat centers, & hotels	Non-Community Supplier (NC)
At least 15 connections and/or 25 or more of the same people	More than 6 months out of the year	Daycare centers, hospitals, industrial complexes, non-year round schools	Non-Transient / Non-Community Suppliers (NTNC)
At least 15 connections and/or 25 or more people	At least 60 days a year, but less than 6 months	Restaurants, parks, swimming pools, & drinking fountains	Transient Non-Community Suppliers (T/NC)
At least 15 connections and/or 25 or more people	Year round	Townships, boroughs, nursing homes	Public Water Suppliers (PWS) <i>Eligible for only System Membership</i>

Transient and Non-Transient Non-Community Membership have two options to choose from, to cater to your budget and needs!
