Our Mission

The mission of the Pennsylvania Rural Water Association is to work cooperatively within the industry to support not only it's members but all of the water and wastewater utilities throughout the Commonwealth with professional technical support, certified training, legislative representation, and other valuable services and benefits.

THE PRWA PROMISE

If you're not 100% satisfied with your first year of membership, we'll refund every penny of your 1st years dues!

www.prwa.com/promise

ALL board and staff members of your system receive the benefits of a PRWA membership.

Association

Our history, experience, and hands-on approach set us apart from all other associations in the industry.

ON-SITE TECHNICAL ASSISTANCE: Member systems are always eligible for free on-site consulting and technical assistance. Our industry leading specialists will work with you to resolve troublesome technical, regulatory, or compliance issues as we navigate never before seen levels of regulation in the industry.

TECHNICAL EQUIPMENT RENTAL: PRWA allows member systems to rent leak detectors, line locators, flow meters, inspection cameras and more at a steeply discounted rate compared to rental companies.

ENERGY AUDITS AND CONSULTING: PRWA offers energy consulting to help your system identify ways that it can reduce its energy costs. Advancements in equipment, contract procurement, and renewable energy are making it possible for systems to better control their energy budget.

GIS MAPPING SERVICES: PRWA's GIS Specialist provides member systems with all the benefits of a cutting edge GIS mapping program at a fraction of the cost.

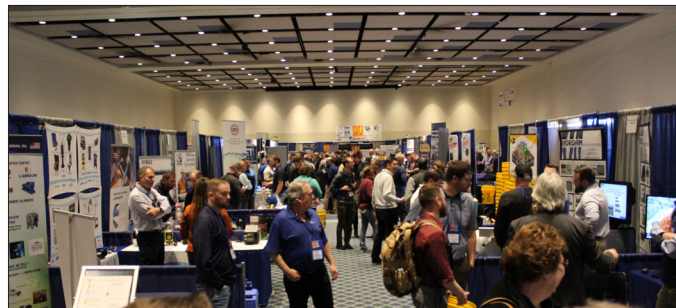

REGULATION UPDATES: We break down the newest regulatory updates and help our member systems to stay in compliance. Our members stay ahead of the long-term goals of industry regulators by getting a head start on time sensitive regulatory changes and developing strategies proactively.

SOURCEWATER & WELLHEAD PROTECTION: The Sourcewater Protection Program assists drinking water systems with the development of comprehensive plans that guide them in the protection of both ground and surface water sources.

ANNUAL CONFERENCE: Come to the largest water and wastewater conference in the state. The Conference offers an amazing variety of classes with the opportunity for operators to receive up to 18 contact hours over 3 days. Discounts to the conference extend to operators, *administrators, and board members*. Excellent meals, entertainment, and course materials are included with event registration.

The PRWA Annual Conference sees an incredible number of returning attendees. The reason that so many people look forward to this event each year is that it combines a great selection of training topics with the camaraderie and fun of dinners, games, prize give-aways, and interesting displays of the newest equipment available. Both operators and board members can benefit from the event as we also offer insightful training sessions on system management, legislative changes, and financial sustainability. There's no better way to get your continuing education credits while making new friends in the industry. Mark your calendar today and come see what makes the Annual Conference such a successful and enjoyable event!

ALL staff, operators, and board members of your system receive the benefits of a PRWA membership.

TRAINING: PRWA provides more DEP approved continuing education credits than any other organization in the state. With over 300 training sessions every year, we offer the best variety of interesting and relevant topics to keep your system's operators and staff knowledgeable and up-to-date.

We offer multiple formats of training sessions to provide trainees with the correct option to fit their learning style. Whether you prefer a traditional live trainer and classroom format, a video conference style classroom, or a self-paced learning program, we have classes that will fit your needs and schedule.

Visit our website to see our full catalog of available courses and try one of our online classes today.

KEYSTONE TAP MAGAZINE: Members get a copy of our award-winning quarterly publication which provides a wealth of information for industry professionals. Our curated content is created by our network of administrative, technical, legal, and in-the-field specialists who share their insights in an easy-to-read format.

Join PRWA today and take hold of your system's future!
