Contact Hours: 6 Water & Wastewater Hours

Instructor: Chad Heister

Location:

Middlesex Township Municipal Authority
350 North Middlesex Road
Carlisle, PA 17013-8422

About the Class:

Our community's most valuable resource is its infrastructure. Water and wastewater operators, managers, office personnel, and decision makers are the guardians of that asset, therefore, a course on managing a system is needed. The purpose of this course is to instruct students in the responsibilities of system management in the water and wastewater industry.
