**Contact Hours:** 6 Water Hours

235 Grand Street

**Instructor:** Joel Jordan

Middleburg, PA 17842-1103

**About the Class:**

The purpose of this course is to provide an overview of why chlorination is used for disinfection and how to perform the calculations necessary to ensure proper treatment is completed. The topics covered include work place health and safety, water pathogens, how and why we chlorinate, and chlorine calculations.
