Contact Hours: 3 Water & Wastewater Hours

Instructor: Hydra-Stop

Location:

Holiday Inn
1750 Sumneytown Pike
Kulpsville, PA 19443

About the Class:

Line Tapping, Line Stopping, and Valve Insertions are maintenance techniques done under pressure to reduce associated risks and provide a more productive method of maintaining and repairing distribution and collection systems without complete system shutdown. The proper application of these techniques and other benefits will be discussed in this presentation.
