Contact Hours: 6 Wastewater

Instructor: Michael Garrity

Location:

Days Inn by Wyndham

865 York Road

Gettysburg, PA 17325-7501

About the Class:

Pretreatment is the reduction and the elimination of the amount of pollutants, or the alteration of the nature of pollutant properties in wastewater prior to, or in lieu of, discharging. Many wastewater systems are dealing with pretreatment especially if they have an industrial user. This course is designed to educate those operators on all the aspects of pretreatment.
