Instructor: Rockacy and Associates, Inc.

Location:
Schuylkill County Municipal Authority
221 South Centre Street
Pottsville, PA 17901-3506

About the Class:

The aging infrastructure problem in the U.S. is well known and well documented for both drinking water and wastewater system. Systems have the difficult decision of when to replace and when to repair to extend the life of existing infrastructure. This course reviews the replace/repair assessment, and then focuses on the options for repairing existing infrastructure and resources available.
