

#4127
ASSE Backflow Prevention
Program Administrator
Certification

32 WATER & WASTEWATER
CONTACT HOURS

The course is designed for water & wastewater treatment plant operators and administrators who would be involved with drafting and/or implementing a comprehensive cross-connection control program including an annual testing and tracking program. ASSE test procedures will be reviewed.

*Participants will need a laptop for evening work and studying for this course. Laptops will be provided for in-class use. If you require a paper copy of the materials, it can be provided at an additional cost of \$250. Effective January 1, 2018 all exams will be given by computer.

Exam will be given the final day of the course.

MEET THE INSTRUCTORS

Kirk Elkin

Kirk has over 18 years working with water distribution systems and treatment plants as a PA Class-A Licensed Drinking Water Plant Operator and a Sanitarian and Sanitarian Supervisor for the PA DEP with over 16 years working in cross-connection control. In 2000 Kirk started the PRWA Cross-Connection Control Training Program which was continued by PA Water Specialties Company and has become an ASSE Certified School. Kirk has been a certified tester for over 14 years and has been an ASSE Instructor for testing, repair and maintenance, surveying, and cross connection control program administration since 2006. Working in the field he has installed, repaired, and tested many types and brands of backflow prevention devices and assemblies.
