

#1910 ASSE Cross-Connection Control Surveying Certification Course

32 WATER & WASTEWATER
CONTACT HOURS

This course allows students to learn and master the different types of cross-connection, their degree of hazard, and how to prevent backflow within the application/setting (i.e. Water & Wastewater Treatment, Fire Protection). Students will learn the laws, regulations and liability with cross-connection control and will learn how to conduct a cross-connection survey as an practical exercise during the class. Students will be required to take and pass an examination on the last day of the class.

*Participants will need a laptop for evening work and studying for this course. Laptops will be provided for in-class use. If you require a paper copy of the materials, it can be provided at an additional cost of \$250. Effective January 1, 2018 all exams will be given by computer.

Exam will be given the final day of the course.
