Importance of Air Release Valves in Your System

3 WATER AND WASTEWATER CONTACT HOURS

This course will cover the theory, operation & maintenance of air valves for water distribution and wastewater collection systems. Includes demo.

**In addition to in-person Trainers, Dr. Kim Sorenson will join us virtually to share his expertise in the field of air valves.*

Topics to be covered:

- Air in Pipelines
- Surge & Air Valves
- Air Valve System Design, Application and Maintenance

PRWA Training Event Safety

The safety of our attendees is of utmost importance. Fully vaccinated Trainers & Attendees can choose not to wear masks.

However, PRWA Training sites are private facilities with their own rules. PRWA is subject to their masking rules & Covid policies while using their facility.
