Securing Drinking Water & Wastewater Treatment Facilities

5 WATER AND WASTEWATER CONTACT HOURS

The Pa Water and Wastewater Systems Operator's Certification Act mandates that the standards for certification, recertification and renewal of certification shall include training related to the security of water and wastewater systems. This course is designed to meet the system security training requirement of the Act. The learner will be able to recognize methods for developing and increasing security awareness as it applies to water and wastewater treatment facility operations.

Topics to be covered:

- Security Methodology
- Critical Assets and Threats
- Stages of Protection
- VA Elements, Templates & Applications
- VA Exercise
- Emergency Response Plan Development

PRWA Training Event Safety

The safety of our attendees is of utmost importance. Fully vaccinated Trainers & Attendees can choose not to wear masks.

However, PRWA Training sites are private facilities with their own rules. PRWA is subject to their masking rules & Covid policies while using their facility.
