Aging Water and Wastewater Infrastructure - Repair or Replace

3 WATER AND WASTEWATER CONTACT HOURS

The aging infrastructure problem in the U.S. is well known and well documented for both drinking water and wastewater system. Systems have the difficult decision of when to replace and when to repair to extend the life of existing infrastructure. This course reviews the replace/repair assessment, and then focuses on the options for repairing existing infrastructure and resources available.

Topics to be covered:

- Aging Infrastructure
- Current Technologies for Water and Sewer
- Sewer Repair Couplings

PRWA Training Event Safety

The safety of our attendees is of utmost importance. Fully vaccinated Trainers & Attendees can choose not to wear masks.

However, PRWA Training sites are private facilities with their own rules. PRWA is subject to their masking rules & Covid policies while using their facility.
