National Incident Management System ICS 100,
Introduction to the Incident Command System

3.5 WATER AND WASTEWATER CONTACT HOURS

This course will discuss the need for a management system during major emergencies and disasters. The student will learn the five functions of the ICS, the command staff functions, organizational structure of the ICS, common terminology used in the ICS, responsibilities of emergency responders, and the facilities in the ICS. The student will also learn what Multi-Agency Coordination Systems are and do; as well as, when Unified Command Systems are used.

Topics to be covered:

- Incident Management System
- The History of the ICS and its Legal Authority
- Using the Incident Command System
- The Incident Command System Organization
- Incident Action Plan

PRWA Training Event Safety

The safety of our attendees is of utmost importance.
Fully vaccinated Trainers & Attendees can choose not
to wear masks.

However, PRWA Training sites are private facilities with
their own rules. PRWA is subject to their masking rules
& Covid policies while using their facility.
