Our Mission

The mission of the Pennsylvania Rural Water Association is to work cooperatively within the industry to support not only its members but all the water and wastewater utilities throughout the Commonwealth with professional technical support, certified training, legislative representation, and other valuable services and benefits.

THE PRWA PROMISE

If you're not 100% satisfied with your first year of membership, we'll refund every penny of your 1st years dues!

System Membership

Save time and money with all the benefits a membership can offer entities that provide water and wastewater treatment.

Serving the water & wastewater industry since 1988

pa rural water
Association

Our experience and our hands-on approach sets us apart from all other associations in the industry.

ANNUAL TECHNICAL CONFERENCE Come to the largest conference in the industry. The conference offers a variety of classes over 3.5 days, as well as houses over 125 exhibitors. Members enjoy discounts to the conference, that extends to operators, administration, and board members as well. AND meals and materials are always included.

FREE TECHNICAL EQUIPMENT RENTAL PRWA allows system members to rent leak detectors, line locators and other equipment to systems for FREE.

ON-SITE TECHNICAL ASSISTANCE PRWA's water & wastewater technicians travel the state to help systems, large or small, troubleshoot and solve problems that arise within their facilities. **Water Technicians** can provide help with leak detection, line locating, regulation assistance or help with your CCR. **Wastewater Technicians** provide help with lab processes, I & I and can do smoke testing for your system, as well camera your lines! Our staff have the experience and resources to help you with any aspect of your system.

FINANCIAL SERVICES PRWA provides a variety of different products and services to help systems save time and money. We can help secure funding that works for your system, as well as help with billing and collections, and other administrative functions.

LEGISLATIVE UPDATES PRWA gives systems a voice in Washington DC and Harrisburg when the tough issues arise.

REGULATION UPDATES Help your system stay in compliance and avoid fines by giving you a clear understanding of the latest regulation changes.

ALL board and staff members of your system receive the benefits of a PRWA membership

TRAINING Members receive discounts on training classes, with over 250 classes across the state through the year, with registrations including meals and materials. With a variety of topics, students can always learn something new about the industry. **CHECK OUT OUR ONLINE STORE FOR THE LATEST CLASS OFFERINGS.**

Systems receive a voucher for one free PRWA training class (up to \$105 value) when they join!

GIS MAPPING SERVICES GIS is a great tool for every system to stay organized and have precise, up-to-date maps with all the geographic data of their water, wastewater or stormwater system. With state of the art equipment and newest technology, we are able to create maps with 4-inch accuracy at competitive price. **CONTACT US TODAY ABOUT A FREE CONSULTATION.**

SOURCEWATER & WELLHEAD PROTECTION The Sourcewater Protection program expands our technical assistance to include the development of protection plans for surface water systems. Sourcewater Technicians guide you through a six-step process to create a plan to protect your watershed or wellhead.

STORMWATER MANAGEMENT PROGRAM The Stormwater Management Program is an essential tool for all Pennsylvania stormwater systems to prepare for new stormwater regulations. The PRWA Staff is ready and equipped to help your community or utility face the most complex challenges and regulations in the industry with resources, discounts, technical assistance, and legislative support.

KEYSTONE TAP MAGAZINE Members get a copy of our award-winning quarterly publication with great informational and technical articles about issues that are facing systems across the state.
