

Our association provides assistance to water & wastewater treatment facilities, as well as municipalities, with continued education classes, on-site technical assistance and other programs and resources. We provide memberships, tailored to their needs and type of operation. Our goal is help professionals to upgrade their skill set, improve the quality of their utilities services, and protect their community's health.

SYSTEM MEMBERSHIP

A membership for utilities or municipalities that provide water or wastewater treatment services year round.

Systems can choose to use their membership for one side of their system, or cover both under a dual membership.

A system member gains access to...

- Discounts to training & events
- On-Site Technical Assistance
- Operator Training & Certification Assistance
- Free Technical Equipment Rental
- Management & Administration Resources
- Regulation & Legislative Updates
- Award-winning Quarterly Magazine

And Services...

- Sourcewater & Wellhead Protection
- GIS Mapping
- Financial Services

STORMWATER MEMBERSHIP

Stand alone or in conjunction with a system membership, stormwater members add another tool to their box of resources.

A Stormwater Membership provides assistance specifically to utilities or municipalities dealing with stormwater and MS4 regulations. With this membership, members can gain access to PRWA's staff and resources relating to stormwater.

A stormwater member gains access to...

- Discounts to training & events
- Stormwater Technical Assistance
- Management & Administration Resources
- Stormwater Regulation & Legislative Updates
- Award-winning Quarterly Magazine

And Services...

- Sourcewater & Wellhead Protection
- GIS Mapping
- Financial Services

Look inside to see the BENEFITS of the programs and services we have.

Our experience and our hands-on approach sets us apart from all other associations in the industry.

Our Mission

The mission of the Pennsylvania Rural Water Association is to work cooperatively within the industry to support not only its members but all the water and wastewater utilities throughout the Commonwealth with professional technical support, certified training, legislative representation, and other valuable services and benefits.

THE PRWA PROMISE

If you're not 100% satisfied with your first year of membership, we'll refund every penny of your 1st years dues!

ALL board and staff members of your system receive the benefits of a membership

DISCOUNTS TO TRAINING & EVENTS

◆ ANNUAL TECHNICAL CONFERENCE

Come to the largest conference in the industry. The conference offers a variety of classes over 3.5 days, as well as houses over 125 exhibitors. Members enjoy discounts to the conference, that extends to operators, *administration and board members*. **AND** meals and materials are always included.

◆ TRAINING

Members receive discounts on training classes, with over 250 classes across the state through the year, with registrations including meals and materials. With a variety of topics, students can always learn something new about the industry. **CHECK OUT OUR ONLINE STORE FOR THE LATEST CLASS OFFERINGS.**

System Members receive a voucher for one free PRWA training class (up to \$105 value) when they join!

SERVICES

◆ STORMWATER MANAGEMENT PROGRAM

The Stormwater Management program is an essential tool for all Pennsylvania stormwater systems to prepare for new stormwater regulations. Get help with Minimum Control Measures, mapping your outfalls, finding potential threats to your drinking water supply or get ideas to build/renovate an area to slow stormwater from entering our water sources.

◆ GIS MAPPING SERVICES

GIS is a great tool for every system to stay organized and have precise, up-to-date maps with all the geographic data of their water, wastewater or stormwater system. With state of the art equipment and newest technology, we are able to create maps with 4-inch accuracy at a competitive price. **Go to PRWA.COM/GIS or Contact us today about a free consultation.**

◆ FINANCIAL SERVICES

PRWA provides a variety of different products and services to help systems save time and money. **Go to PRWA.COM/FinancialServices for more info.**

◆ FREE TECHNICAL EQUIPMENT RENTAL

PRWA allows system members to rent leak detectors, line locators and other equipment for FREE.

TECHNICAL ASSISTANCE

◆ WATER TECHNICIANS

can provide help with leak detection, line locating, regulation assistance or help with your CCR.

◆ WASTEWATER TECHNICIANS

provide help with lab processes, I&I, and can do smoke testing for your system as well as camera your lines!

◆ STORMWATER MANAGEMENT

Our team can help you development a stormwater management plan, as well as answer questions about sourcewater protection, green infrastructure and more.

◆ SOURCEWATER & WELLHEAD PROTECTION

The Sourcewater Protection program expands our technical assistance to include the development of protection plans for surface water systems. Sourcewater Protection Specialists guide you through a six-step process to create a plan to protect your watershed or wellhead. Specialists can also help you with **Stormwater Management** plans by identifying potential threats to the drinking water supplies.

Our staff has the experience and resources to help you with any aspect of your system - and are only a phone call away.

INFORMATION & PUBLICATIONS

◆ LEGISLATIVE UPDATES

PRWA gives systems a voice in Washington DC and Harrisburg when the tough issues arise.

◆ REGULATION UPDATES

Help your system stay in compliance and avoid fines by giving you a clear understanding of the latest regulation changes.

◆ KEYSTONE TAP MAGAZINE

Members get a copy of our award-winning quarterly publication with great information and technical articles on all types of systems across the commonwealth.
